

Data sheet

1000x1200 Performance

Tecnical data	cod. 1210PERF
Dimensions mm. (L x W x H)	1200x1000x134 (151**)
Height mm.	134 (151**)
Fork clearance mm.	100 (117**)
Topdeck mm.	34
Weight kg.	10,8
Dynamic loading* kg.	1500
Static loading* kg.	4000
Nestable	Yes
Pallets per stack Pcs.	50
Stack height for trucks mm.	2500
Stack weight kg.	540
Trackload quantity Pcs.	1650
RFID option	Yes
Material	Polypropylene
Temperature range	-20°C +60°C
Standard color (any color on demand)	Grey

* depending upon type of loading.

**with plastic bar

Guidelines values were performed in accordance with ISO 8611-1: 2011. We recommend you always check your load conditions and pallet storage, considering environmental factors such as the storage time and the storage area temperature. Imball Nord Srl reserves the right to change any of the stated information without prior notice.

Use with barrier materials for direct food contact.
